Depuis plus de 20 ans, les moulures QUÉ-WOOD ont su s'imposer au plan international sur le marché des moulures et des composantes de bois. Notre engagement envers nos clients est appuyé par une solide garantie de qualité.

FABRICATION : sur mesure de toutes sortes de moulures, peu importe le profil requis et l'essence de bois; ainsi que les planchers de bois franc adaptés aux besoins du client de toutes largeur et longueur spéciales.

PRÉCISION: notre atelier de couteaux de haute précision nous permet de reproduire des profils déjà existants et créer des modèles à partir de plans ou échantillons.

FINITION: un service de finition tel que, couche d'apprêt pour surface à peindre, fini vernis naturel, fini teint et verni.

LIVRAISON: "juste à temps" généralement de 10 à 15 jours après la réception de votre commande qu'elle soit de quelques centaines de pieds ou centaines de mille pieds.

SATISFACTION: dès l'arrivée des matières premières jusqu'aux produit finis, nos critères et normes de sélection élevées assurent à nos clients des produits de qualité et des livraisons à temps.

For over 20 years, QUE-WOOD mouldings became leader of fine mouldings and various wood components on the national and international markets. Our commitment to all customers is based on a solid quality guarantee.

MANUFACTURE: We manufacture high quality; precision profiled hardwood mouldings, but also custom mouldings, ANY SHAPE, ANY SPECIES and customized hardwood floors of any special width and length.

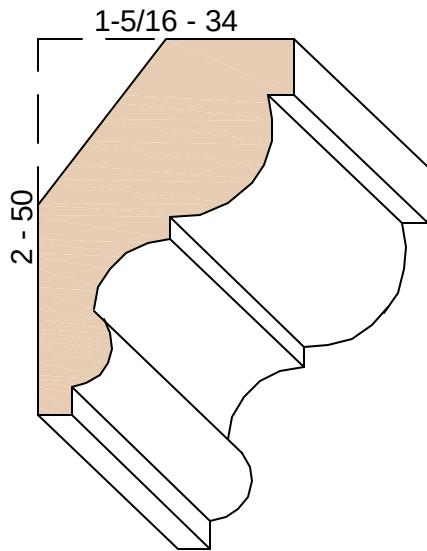

PRECISION: our in house knives workshop enables us to reproduce existing profiles or according to your specifications in a very short time.

FINISHING: we provide any finish on our product, from a simple base coat (primer) for painted surfaces, to natural finish lacquers, and stained wood with clear lacquers.

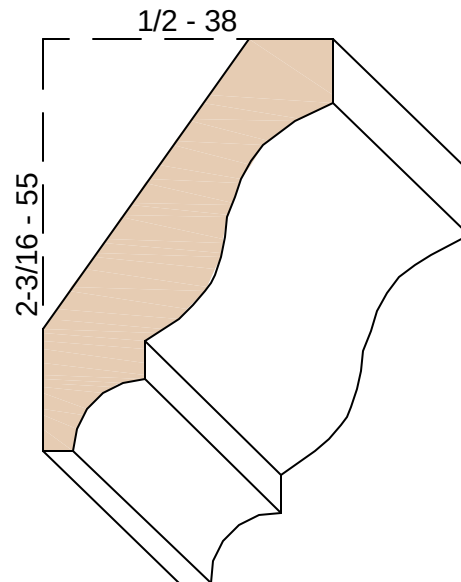

DELIVERY: usually our delivery varies from 10 to 15 days after reception of your purchase order, whether it is for a few hundred feet or a full truckload.

SATISFACTION: our manufacturing has always been made with the concept of maintaining consistent high quality, prompt on-time delivery, and the continuing satisfaction of our customer's needs.
